

## REMARKS

The Final Office Action mailed March 21, 2008 and references cited therein have been reviewed. Applicants note that claims 55-57 are objected to, but would be allowable if placed in independent form. Applicant has also noted that claims 6-8 are allowable over the cited art of record. Claim 42 has been amended to include the limitation of claim 55. Applicant submits that claim 42 and all of the claims dependent therefrom are now in allowable form.

Applicant notes that the Examiner did not indicate whether the references submitted on October 9, 2007 have been considered. Applicant requests consideration of all of the references of record.

Applicant submits the claims presently pending in the above-identified patent application are in condition for allowance and a notice to that effect is earnestly solicited.

Respectfully submitted,  
FAY SHARPE LLP
